A meeting of the newly elected officers of the TARS was held Friday evening at 7:00 PM, City Court Room. All officers were present.

MR. Gehres, the president presided. First discussion was on the meeting night and it all leads back to Friday night. It seems more members could attend on Friday night and an endeavor will be made to try and keep the date near the same each month. Several possible meeting places were discussed, one being the City Court Room. Darwin Covert, W9KVE, to be contacted to obtain permission to use same and try to arrange for next meeting there.

Mr. Schoetlin made the suggestion that we start to work at once on a building fund and invest the money in bonds, or some way to make interest on the money. That we should hold social functions and always be on the alert to make money, some day to be used for our own Club house.

Also that we have auctions every few months so the members could bring in their unneeded parts, proceeds or a percentage to go in the building fund. This would not be compulsory but would be left up to the individual whose parts had been auctioned off.

Mr. Gehres suggested we should also have a student membership or Jr. membership, which would be offered at reduced rates. A vote to be held at the next meeting and left up to the regular members.

Mr. Wiegant suggest we start at once on a year book giving a brief history of each member along with a picture. Mr. McClellen has accepted responsibility to secure prices on same.
